

Nasúla Wóslolye - Wakǎngli

Hi! I'm Brain the Robot! – **Háu! Mas'wíchaša hemácha na Nasúla emáčiyape ló.**
And I have some quick facts about electricity. – **Na takúku wakǎngli ečhíyataghan očíčiyakapi wačhín yeló.**

Electricity is a form of energy. – **Wakǎngli kiḡhán lila waš'áke.**

There are many ways to create electricity. – **Lehánl ótakiya kañ-phíča.**

Electricity can be made from the sun, water, coal, and wind, just to name a few. – **Wí, mní, čahlí, tháté kǎó uḡ wakǎngli kágapi.**

Lightning is a form of electricity. – **Na iyótaḡš wakíḡyaḡ tuḡwánpi kiḡ hé.**

We use electricity every day! – **Aḡpétu iyóhila wakǎngli ilág'uḡyaḡpi!**

We use it to power our TVs, computers, phones, ovens, lights, and so much more! – **Wakǎngli uḡ šna wičhítenaškáḡškaḡ, wóuḡspe omnáye, omás'apḡe, owášpaḡye, ožáḡzaḡ kǎó uḡyúilepi na šna uḡk'úḡpi!**

Now that's neat! – **Áta khilí yeló!**

How do you use electricity? – **Niš, tóškhe šna wakǎngli núḡpi he?**

Go find out then come back for more Brain Facts with me, Brain the Robot! – **Hé kpasípi na hehánl kúpi nahán akhé Nasúla Wóslolye eyápi waḡží yunáyečhíčhíyapi kte! Nasúla miyé yeló.**
